TUESDAY, FEBRUARY 26th 2008 AT 7:30PM PST**

**INTERVIEW WITH DR. MICHAEL RICHMAN, HEART SURGEON AND
LIPID EXPERT FROM THE CENTER FOR CHOLESTEROL MANAGEMENT**

February 26th, 2008 – KVMD TV and the producers of Southern California Life are proud to announce the much anticipated airing of the interview with Dr. Michael Richman, CEO and Medical Director of The Elite Laser Vein Center. **The interview will air Tuesday, February 26th at 7:30pm.**

Dr. Michael Richman is a Los Angeles-based Heart Surgeon and Lipid Expert. As the Medical Director for The Center for Cholesterol Management in West Los Angeles, he is a leader in performing advanced cholesterol testing on patients. Dr. Richman is also the President of The Elite Laser Vein Center. He joins us in studio to discuss the specific risks high cholesterol pose to women, and what steps they can take to prevent heart disease.

Southern California Life is a newsmagazine program airing on KVMD TV. Broadcast in San Bernardino, Los Angeles, Riverside, Ventura, and Orange Counties the focus of Southern California Life is bringing positive news about Southland to the people of Southern California. To find KVMD in your area, check your local listings.

Every night on our show we feature an in-studio interview with southland residents who are making a difference in their community and the world. Tune in as we host Michael F Richman M.D., F.A.C.S, Medical Director of The Center for Cholesterol Management.
